

RISE

Realities in Social Enterprise

REALITIES IN SOCIAL ENTERPRISE

RISE – Realities in Social Enterprise is a Strategic Partnership project within Erasmus+ KA2 Programme.

Specific objective of this project is to promote (social) entrepreneurship education in EU through design, production and dissemination of education materials.

Project is in particularly focused on social enterprises from EU that ended up their activities, as we thought that obstacles they faced may serve as learning lessons for those social enterprises that are struggling with different challenges.

Main outputs of the project:

- Educational Manual and Interactive Map of unsuccessful Social Enterprises in EU
- Training Course Curriculum - an innovative, modern and interactive educational program for social entrepreneurs
